

Etiquettes Of A GENDER REVEAL PARTY

Keep it intimate

Invite only your family and close circle who are near to your heart.

Don't host it too early

There could be some unexpected circumstances early during the pregnancy. Hence, don't plan the party too early.

Don't announce it on social media

Gender reveal should be kept only to the family. Revealing it to the world is not required.

Let someone else reveal

Parents want to capture the moment of gender reveal, so let your family member host the party.
