

THE DON'TS OF INCULCATING POSITIVE BEHAVIOR IN Children

1

Avoid using punishment or fear to teach positive behavior.

2

Avoid using labels or generalizations when talking to children about their behavior.

3

Avoid being overly critical or judgemental of their every action.

4

Avoid inconsistency in your consequences and expectations.

5

Avoid rewarding or excusing negative behavior.

6

Avoid comparing your child with others, making them feel inferior.
