

# FRUITS & VEGETABLES CRAFT IDEAS FOR CHILDREN

## Mr. Potato Head

A super creative craft to turn the simple baked or boiled potato into a masterpiece.

## Stamped Apron Using Brussels Sprouts

Give a lively vibe to your dull apron by dabbing it with colorful brussel sprout imprints.

## Mushroom Print Pin Board

Help your children prepare a fascinating pinboard with beautiful designs of mushroom imprints.

## Apple Bin

Let them make a colorful bin or basket with apple imprints for their room.

## Veggies Fabric Painting Art

Make your little ones dab the fabric with vegetable cut imprints in different colors and shapes.

## Fruits Canvas Painting

Help them cut fruits in different shapes and imprint them to make a beautiful canvas painting.
