

Ideas For Decorating Your Baby Girl's Nursery

A purple-colored room with everything in different shades of purple, such as the furniture in lilac and the walls and rug in lavender.

A bright-colored room with shades of all the colors, such as the furniture in one color, the curtains in another, and the walls a different color to make it into a rainbow room.

A budget-friendly room where you can adorn the room with minimal but essential things such as the crib, a drawer, a lamp, and a few DIY decoratives.

A vintage-themed room where you can put a lace curtain, Victorian-style drawers, cushions, and crib covers with ruffles.
