

Easy-To-Make Kite Ideas For Children

Newspaper Kite

Turn the old newspapers in the house into beautiful kites by attaching bamboo sticks or dowels in the 'T' shapes and using a string to tie them together.

Mini Kites

Transform colorful parchment papers into small kites for your little ones using wooden skewers instead of bamboo sticks.

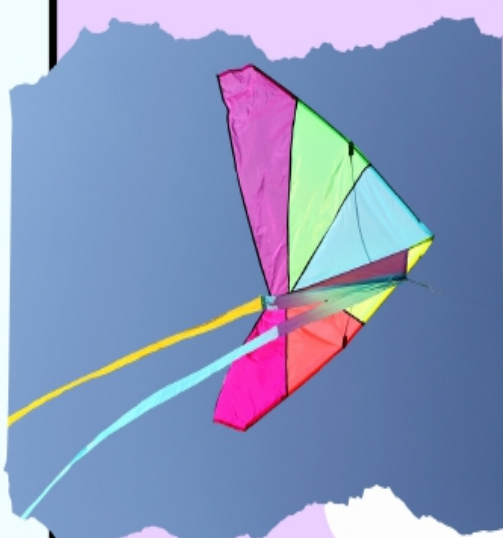

Butterfly Kite

Craft and shape a beautiful butterfly from the colorful craft papers using pieces of plastic straws and wooden skewers.

Simple Paper Kite

Use regular or kite paper to turn it into a beautiful kite using two dowels placed as a small cross or 'T' shape.

Plastic Bag Kites

Craft a beautiful kite to recycle and repurpose the plastic bags in the house.
