

Create The Perfect Birthday Picture Of Your Little One

Number one sign

Either buy a number one balloon and other props, such as a blanket or create a number one with toys using your creativity and make it a birthday tradition.

A little man or lady

Dress your tiny tot in suspenders, a bow tie, tutus, and pearls to make them look like tiny men or ladies, and click the most adorable picture.

Cake smash

Create an aesthetic background that depicts the first birthday, and let your child have the time of their life by smashing and eating the cake while you click their photo.

Movie theme

Either have everyone in your family dress as a movie character or only your baby and photograph them in a dramatic setting for the cutest little movie star portrait.
