

# Words To Encourage *Children On Their* First Day Of School

You are so sweet, brave, and smart. I am sure you will make a lot of friends and make several beautiful memories in school.

Life is short, and you will grow up before you know it. Spend your childhood learning as much as you can. Have a great time on your first day at school.

When you get back from school, mommy and daddy will be waiting for you. Go on, make new friends, and have a blast on your first day. All the best!

Go to school not just to learn but also to share your ideas with your peers and have some fun. Happy first day of school.

School is the beginning of a journey that will only bless you with good things in life. Enjoy the joyride and give it your best.

You will make a wonderful first impression in front of your teachers and classmates. Be confident and courteous, my child!

well done!
