

## Awesome Party Games

### Your Child Will Enjoy

#### Find Your Partner

A creative way of introducing children to one another using duo lists of colors, numbers, words, or other things.

#### Escape The Monster

A scary twist to a simple run-and-chase game with the addition of monsters and scary creatures.

#### Pin the Tail On The Donkey

A classic party game where children are needed to put a tail on a donkey's picture while having their eyes closed.

#### Sardines

A unique twist to a classic hide-and-seek game.

#### Shadow Bluff

An interesting game where the children have to identify each other through their shadows.

#### Cross The River

A simple version of the obstacle course game where the children have to cross the place using a platform without touching the ground.
