

Step 1

Wash your hair thoroughly using a shampoo suitable for your hair.

Step 2 (optional)

Apply a regular conditioner to your hair, let it sit for a while, and then wash it off.

Step 3

Towel-dry your hair to remove excess water from your hair strands.

Step 4

Take the right amount of leave-in conditioner on your fingers and apply it through the length of your hair.

Step

Step 6

Allow your hair to air dry thoroughly before styling your hair.
