

Shower Your Man With Tons Of LOVE

"I can do without a morning cup of coffee, but not without cuddling my handsome hubby."

"Each time I look at you, I just smile to myself and think, 'I certainly could not have done better.' You are perfect the way you are. I love you, honey!"

"You are the only person with whom I can be ME because you are the only person who loves me for what I am and not what I can be."

"The only thing better than me having you as my husband is our children having you as their father."

"The words I, Me, and You ceased to matter when life became about us."

"My life's biggest achievement is that I get to be with an awesome man like you every day!"

"I make our marriage organized; you make it outstanding. I make our marriage practical; you make it perfect. I keep it grounded; you give it wings. I love you!"

"If I could reach up and hold a star for every time you've made me smile, the entire evening sky would be in the palm of my hand."
