

## Teen Edition Of *Never Have I Ever* Questions

Never have I ever worn my shirt  
inside out in public by mistake.

Never have I ever had a crush.

Never have I ever run into a  
sliding glass door.

Never have I ever sung  
miserably in a bathroom.

Never have I ever unfollowed  
a friend on social media.

Never have I ever tried to look  
at the sun.

Never have I ever worn a weird  
costume to school.

Never have I ever tried pet food.
