

# Sayings On Children Growing Up Quickly

“

"My dear child, you may outgrow my lap, but never my heart."

”

“

"Hold on to these moments and cherish the little snuggles, as they will grow up in no time!"

”

“

"The best gift you can give your kids is your time, love, and attention."

”

“

"Let them be little, for they are little for a little while."

”

“

"A day with your children, no matter how small or big they are, heals your soul."

”

“

"Children are great imitators, so make sure to give them something great to imitate."

”
