

Texting Etiquette When

Dating

What NOT to do

What's GOOD to do

Typing in short,
e.g., "cn v mt 4 dnr 2ni8"

Keeping the text short
and sweet

Texting under the
influence of alcohol

Asking or sharing something
interesting or funny to start

Sending too many texts
or overusing emojis

Replying to every text

Texting during their
work hours

Keeping conversations light
and positive

Asking too many
questions

Choosing punctuations
carefully to express your
mood

Sending intimate
texts

Being polite and respectful
