- Buy a pop-up tunnel or use cardboard boxes to create the tunnel.
- You may either create one tunnel or many to have a race.
- Arrange the tunnel in an open space and have the children crawl through it for a peek-a-boo game.

## Ball pit

- Buy an inflatable swimming pool for children.
- Fill the pool with non-toxic balls of different colors.
- Let the children dive into it and have some fun in an open outdoor setting.

## Photo guessing game

- Ask the guests to bring their photos from when they were a baby.
- Hang the photos around the room or stick them all in an album and let them guess who is who.
