

# HOW TO SUPPORT GIRL EMPOWERMENT

**01** Provide her with proper education and economic resources

Facilitate healthy nutrition and clean water for her **02**

**03** Educate about her fundamental rights, government policies, and support groups

Make the schools and community safe and comfortable for her **04**

**05** Give her a right to voice her opinions and respect in the society

Uplift her self-esteem; encourage her unique talents **06**

**07** Stand up for injustice and support girls in crisis

Provide her with proper healthcare facilities **08**

**09** Link survivors of emotional or sexual abuse to authorized health services

Remind her of her strengths and help her realize her worth **10**

**11** Support organizations that work toward girl empowerment
