

How To Personalize Your Messages?

Here are a few ideas to help you add a personal touch to your messages.

Instead of getting a card printed with a message, purchase a blank card and write the message yourself.

Include snippets of your memories with that person in the message to make it more authentic.

Express your gratitude to them for all the times they have been there for you.

Write your message with the tone of 'we' instead of using 'you' or 'I.'

Include something special to both of you that no one else knows about.
