

Quotes And Messages

To Say 'I Love You'

"You are the cutest, kindest, and most adorable person I have ever met. I love you."

"I have fallen in love so many times... But always with you."

"The only condition of my love for you is that there will never be any conditions at all. I love you."

"Last night, I was looking at the stars and matched each star with a reason why I love you. It was going great until I ran out of stars."

"I love you like a crazy cat lady loves her cats."

"I will love you until I am the last person standing on earth, then, all bets are off."
