

GOOD PARTNERS FOR A CAPRICORN WOMAN

♑ Capricorn and Scorpio ♏

- They are both passionate and have a practical approach to things.
- Both are goal-oriented and strive to excel in their professional and personal lives.
- Both Scorpio and Capricorn are loyal partners and love having steamy bedroom sessions.

♑ Capricorn and Pisces ♓

- They both believe in motivating their partner in their endeavors for mutual growth.
- Pisces teaches Capricorn practicality, while Capricorn learns empathy from the former.
- Besides physical attraction, they also connect on an emotional level in the bedroom.

♑ Capricorn and Taurus ♉

- They are reliable and transparent in a relationship and interested in deep conversations.
- Both believe in being loyal to each other and leading a mature relationship.
- Taurus and Capricorn need to work to find a middle ground in matters of intimacy.
