

# Single Mother And Single Father Problems

## Single Mother Problems

Less annual income  
and finances

## Single Father Problems

Less involvement in  
the child's life

Less participation  
in school events

Less competent in  
doing routine chores  
for their child

Being less educated

Reservations and  
judgments from  
other parents

Less involvement in  
the child's  
routine activities  
and habits

Being the less  
preferred parent in  
the society
