

These Mistakes May Be

— Preventing Your Boyfriend —

From Marrying You

You control his opinions and don't respect his suggestions.

You have expressed dislike towards his family even though they have been nice to you.

You have too many overwhelming expectations from him as a husband, and he fears he wouldn't live up to them.

You don't respect his boundaries regarding intimacy since you assume there shouldn't be any because you are in a relationship.

You are not receptive to his plans after the marriage and only wish to have things your way. Remember, there must be mutual adjustments for a marriage to work.
