

DECODE

# REBUS PUZZLES

*With These Tips*

**Gain knowledge of different words**

Exploring various words, popular sayings, and idioms would be good. This will help you crack the question quickly.

**Consider the placement**

Focus on how letters and numbers are positioned. Their placement provides clues to the answer

**Pay attention to the font**

The font and size of numbers and letters give various clues to the right answer.

**Consider the direction of words**

Words that follow a different direction of writing always point toward the solution

**Get a hint from the color**

Be attentive toward colorful symbols. They also give a valuable hint for the answer

**Don't neglect the images**

Images in rebus puzzles give various clues for the answer. So, analyze them carefully
