PLAY ACTIVITIES

For Your BABY

Telephone talk

Watch your baby babble in their sweet voice while you pretend to be on the phone with them by your side.

Hide the toy

Sneak in your baby's favorite toy in a box and watch your curious little one explore the house.

Building blocks

A timeless game that will engage the baby for hours. You can assist them in creating structures and see how happy they get.

Shower game

A fun game for your water lover, baby. Just make holes in a container and swiftly shower some water on them.

Soft toys

This little fur toy could now be your baby's best friend. Watch how they try to bond with their toys as they grow.

Finger food game

Make this game entertaining by using different colored bowls and food.
