

Birthday Greetings To Make Your *Hubby Smile*

"Happy birthday, peanut butter. I am nuts about you."

"Cake-check, candles-check, party caps-check, the birthday person-CHECK! Yay, you're here! Happy birthday."

"Remember the golden rule! Treat your spouse like a queen on your birthday—because it's the golden rule and because your wife is awesome! Happy birthday, husband!"

"It's your birthday? Surely you've got to be kidding. I thought all those Facebook notifications reminding me of your birthday were just annoying reminders of the day you were born."

"Happy birthday, husband. You may be getting older but look on the bright side. You have a beautiful and wonderful wife to keep you company on the ride (to old age)."

"I love having someone in my life that makes me laugh until I pee, cry until I'm dripping snot, get mad until you make me laugh AND cry! I love you and I hope your birthday is as wonderful as you are, my husband."
