

Good Night Texts To Grab Your Crush's Attention

"Do not forget that you are amazing and beautiful; good night."

"I hate going to bed just because I have to say bye to you."

"Thanks for all the smiles you gave me today; good night."

"I am not a photographer, but I can definitely picture us together already; have a great night."

"I'm just obsessed with you being my last thought before sleep, sweet dreams."
