

# Tips To Pick A Nickname For YOUR MOM

Name her after what you like about her the most.

Does she call you by a nickname? You may call her by the same name as a funny take.

Ask what her friends used to call her in their high school years, and you may use it as a nickname.

Name her after something she routinely does for you as a habit and a caring gesture.

You may use her childhood nickname that most of your close relatives recognize her by.

Pick a nickname after something she does best and often gets praised for it.
