

# Tips To Determine If Someone ♥ Likes You ♥

Observe their body language around you. If they are shy or nervous around you, they may like you.

Send them cheeky memes containing text such as "do you like me?" or showing someone falling in love.

Slip in a few questions about their love life, such as "so how's your boyfriend/girlfriend?" or "what about you? do you have anyone you like?"

Be flirty. Say things such as "somebody's missing you a lot" or make jokes and compliment them.

Offer to take them out for lunch or a cup of coffee and give them cute yet humble gifts.

Share your favorite songs, preferably ones about love or liking someone.
