

6 WAYS

For Toddlers

To Play With Toy Cars

Dip the wheels in paint and ask the child to draw tire lines on paper by moving the car.

Make a path using cardboard and colorful tape and ask the child to maneuver the car on the stipulated track.

Draw a maze on chart paper and ask them to drive the car through the maze.

Place different toy cars together and ask them to sort them as per color, shape, or size.

Draw a start and finish line on the floor and indulge in a car race with the child.

Attach a sketch pen to the toy car and ask them to move the vehicle on chart paper.
