

Ways To Reuse

K-Cup Coffee Pods For Reducing Waste

Wash and refill them with your preferred coffee blend and seal them with replacement lids.

Use them to freeze portioned herbed butter and food items, simplifying meal preparation.

Freeze fruit juices in the pods to enjoy mini fruity popsicles.

Use the pods as molds to make DIY soaps and bath bombs.

Repurpose the pods as compact and neat seed starters for your garden.

Repurpose them as drawer organizers to sort and store small objects like coins.

Reuse the pods as circular stamps or stencils for creating artwork.

Use the pods to make DIY festive and party decorations.
