

Tips To Reciprocate His Gestures While Making Love

Kiss him with the same passion by running your hands through his hair and arms.

Show him you are enjoying it by taking his name while agreeing to his ways.

Dress up and put on some makeup to show your excitement and appreciation for the effort he put into setting the mood.

You can tell him if something is okay for him to try since he may be holding back out of respect for you.

Do things you know excite him to reward him for the pleasurable moments he gave you.
