

# Ways To

# Store And Maintain

## Fountain Pen Ink

Store the ink at room temperature to prevent discoloration.

Keep the ink away from direct sunlight to maintain its vibrancy.

Always store the ink bottle upright and avoid tilting or jostling it.

Re-cap the ink cartridges with tape or glue to keep them from drying.

Always store the ink in airtight containers to prevent oxidization.

Avoid changing the original container of the ink to prevent contamination and increase its longevity.
