

Tips For Storing *Bras Neatly*

Use a multiple-level bra or tank top hanger for space-efficient storage.

Ensure that each bra is visible for easy selection and accessibility.

Avoid folding bras with padded cups to prevent distorting their shape.

Use hanging pocket organizers to stash padded bras to retain their form.

Fold non-molded bras and tuck in the straps to avoid getting them tangled.

Organize the bras in a color-coordinated fashion to enhance the wardrobe's aesthetics.
