

STEPS FOR USING L'ORÉAL HAIR SPA PRODUCTS

Oil your hair and massage your scalp to promote hair growth by improving blood circulation.

Wrap a towel (dipped in warm water and squeezed) around your hair.

Leave it for five to ten minutes to help the oil seep into the scalp.

Use a suitable shampoo and conditioner to wash and condition your hair.

Apply the L'Oréal hair spa product on your hair as per manufacturer instructions and leave it for 20 to 30 minutes.

Rinse it thoroughly. Avoid warm water.
