

Tips For

Applying Highlighter

With A Brush

Use a fan makeup brush to apply a highlighter to the forehead and cheeks.

Use an eyebrow makeup brush to apply a dense amount of highlighter.

Use a tapered makeup brush to apply highlighter to narrow facial parts.

Use an oval makeup brush for easy cleansing while applying a liquid highlighter.

Gently press the tips of the bristles onto the skin for a light amount of highlighter.

Firmly press the brush onto the skin for a concentrated amount of highlighter.
