

Tips To Maintain An Eyeshadow Brush

Avoid using electronic devices to clean your eyeshadow brush.

Keep the lower section of the brush away from water to prevent moisture-induced damage.

Use mild soap or detergent to clean the brush.

Always use lukewarm water to clean your eyeshadow brush.

Use a soft towel to soak excess moisture and air dry the brush.

Wash your eyeshadow brush after each use to prevent germ buildup.

Ensure to cover the brush portion to prevent dust accumulation when not in use.

Store an eyeshadow brush with bristles facing upward.
