

Safety Tips To Follow

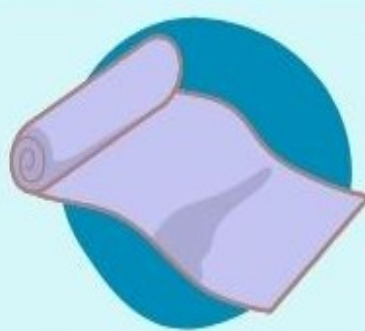

When Using

Pack' N Play Mattresses

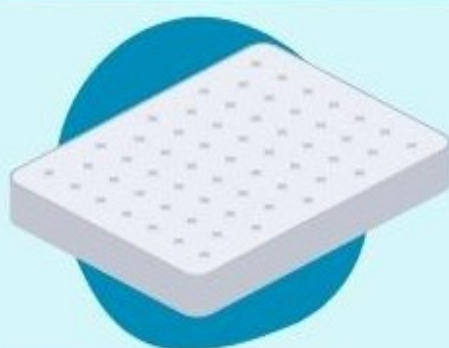

Ensure the pack-n-play mattress meets all the safety standards.

Use only a tight-fitting sheet to cover the mattress if desired.

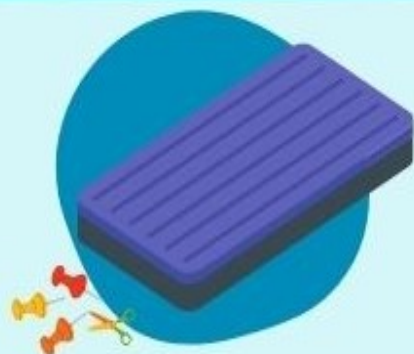

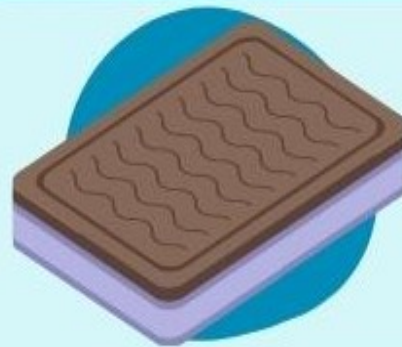

Do not leave your child unsupervised.

Do not add plushies, pillows, or comforters to the mattress.

Place the mattress on a flat surface free from any obstructions.

Regularly check the mattress for wear and tear and replace it when required.

Place the mattress away from sharp objects or other potential hazards.
