

Tips To Follow When Buying A

Toy Box

Consider toy boxes without sharp edges or corners for your little one's safety

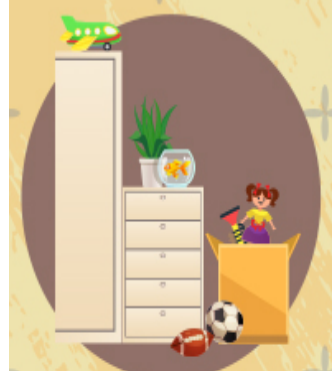

Look for a toy box that is easy to access from the inside and outside. Ensure that the lid is easy to open if your child gets trapped inside the box

Consider a toy box that doubles as a storage box for clothes and bedding

Ensure the toy box is easy to clean

Choose toy boxes that you can easily store under shelves or a bed

A toy box with compartments helps store the toys in a sorted manner

If you place the toy box in your child's room, opt for a design that matches your child's room
