

MOTIVATING QUOTES ABOUT

School

“Always ask yourself,
“Is this what my best looks like?”
That one question alone will
change your entire life.”

“The first day of school: The
day when the countdown to
the last day of the
school begins.”

“The best thing about schools
is that they teach you to think
outside the box.”

“Believe in yourself and the
world will be yours.”

“It’s always born from a new
way of thinking. When we
settle for realistic, we often
settle to be average.”

“Dream big if you want to be
successful in life.”

“Even if you don’t see yourself
as a success right now,
if you’re committed to
learning - success is just a
matter of time.”

“Use each moment to love
yourself and to become
better.”
