

Fun THANKSGIVING PARTY GAMES FOR CHILDREN

Pass The Corn

Tell the children to pass the corn to their neighbor, but the twist is that they can't use their hands.

Turkey Strut

Have the children mimic turkey walk while the music plays, on the footprints you made.

Pumpkin Hunt

Hide the pumpkins all over the house and have the children find as many as they can.

Count The Corn

Give each player a bowl of corn kernels. Ask them to count them in a minute. The one who counts the most wins.

Make A Thanksgiving Sensory Bin

Have the children collect all Thanksgiving-related items, such as corn kernels, small pumpkins, and turkey feathers, in the sensory bin.
