

# Fun-filled HALLOWEEN Games For Toddlers

## Donut Eating Race

Watch toddlers compete with each other to eat delicious donuts hanging from a thread without using their hands.

## Skeleton Relay Race

Have toddlers complete the skeleton puzzle by collecting skeleton pieces one at a time in this fun relay race.

## What Is In The Bowl?

Let your curious toddlers taste and identify the content in the bowl while their eyes are wrapped with ribbon.

## Pin The Wart On The Witch

A spooky twist to the classic 'Pin the tail' game, where the toddler has to put a wart on a witch's face cutout.

## Find The Pumpkin

Write numbers on 5-10 pumpkins, depending on players' size, and hide them all in the backyard for toddlers to search.

## Pop The Balloon

Fill the room with inflated balloons and have toddlers count and pop balloons one at a time.
