

Ideas On Wording Your Sip-and-See Party Invitation Cards

**Our baby is here to
make our world complete.**

So, we invite our friends & family for a treat.

**Our home is filled with a
loving haze.**

A tiny little baby has brightened our days.

**We now hardly
differentiate night from day.**

A little miracle has made its way.

**Cakes,
chocolates, & sweets
are part of our treat.**

We have someone new for you to meet.

**Friends, please grace our
sip-&-see by joining us and
welcoming our baby.**

**You are invited to meet
our family's new member.**

We'll make sure the party is something
you shall always remember.

**Come & bless our little one,
join our party, & have some fun.**

GOD
BLESS
YOU
