

# Words To Describe A Love-Hate Relationship

“Sometimes, I feel like giving you a high five, but is it worth it?”

“Please don’t change a thing; I am in love with the pieces that complete you.”

“Love and hate cannot be avoided. You cannot feel one without the other.”

“When you love and hate a person at the same time, you need to decide which matters far more.”

“Learn to give and let go, and you will find yourself being happy most of the time in your life.”

“Sometimes, you turn into something bitter because you do not get what you thought you would.”

“I love you, even when I hate you.”

“I loved spending time with you, but honestly, I don’t have any time for you anymore.”
