About Lying In A

Relationship

For Him

"A single lie in a relationship makes one question every truth ever there was in it."

"The hurt of a lie stays forever in the heart."

"Lying to your lover is one way of saying that you want to quit."

"You must never lie to the one who trusts you and never trust the one who lies to you."

For Her

"I don't need to know everything, but I do need to know that what you are telling me is true."

"When your partner is asking you to tell the truth, listen to him. He probably knows it already."

"Lying to your lover is the cruelest way in which you can show them you don't care."

"A lie may comfort today and kill tomorrow. A truth hurts today and strengthens tomorrow."
