

HOW TO HACK YOUR CRUSH'S Dreams?

These are not sure-shot ways, but you could try to make your crush dream about you with these tips.

If you're close, gift them a picture of both of you.

Call or text them around bedtime.

Gift them a room freshener of your characteristic fragrance.

Give them a book to read that reminds them of you before bedtime.

Try to meet them often and go out on adventures.

Make pleasant memories with them so that even their dream about you could be peaceful.
