

## Busting Myths About

# BISEXUALITY

### Myth

### Truth

Bisexuals are gays/lesbians, not entirely out of the closet.

Bisexuality is a legitimate sexual orientation, and many individuals are openly bisexual.

Bisexuals are promiscuous.

Sexual orientation does not determine fidelity. Bisexuals are as loyal as anyone else.

Bisexuals are hypersexual.

Bisexuality is not just about sex, but rather about attraction and preference.

Bisexuals are not as oppressed as gays/lesbians.

Biphobia is just as real as homophobia. Bisexuals also face discrimination when out of the closet.

Bisexuals are equally attracted to both genders.

Level of attraction is not the same for everyone. Some bisexuals may feel more attracted to one gender than another.

Bisexuals want threesomes.

Not every bisexual is interested in threesomes.
