

# Wish Your Crush A *Good Morning* With These Texts

“Good morning! Just woke up thinking about how awesome you are. I hope you have a great day :)”

“Do you know what day it is? It’s “send a cutie a GIF day.”

“Hi, my love. I woke up thinking about you, which put a huge smile on my face.”

“Good morning [pet name], check your Venmo and have coffee with me today.”

“Morning! How’s your day starting on a scale from 1-10?”

“You are a fallen angel, my dear, and I am thankful that you fell before my eyes. Have a wonderful morning, and may the day be extra special for you.”

“My alarm has just sounded to alert me that the prettiest woman in the world has also just risen! Good morning my darling!”
