

# 7 Signs To Help You Know If You Truly Love Her

1 You want to know about her feelings for you.

2 You feel giddy, youthful, and energetic around her.

3 You subconsciously ignore other attractive women around you.

4 Your actions start reflecting those of hers.

5 Your friends can see the chemistry and change in you.

6 It just feels right to be with her.

7 You have completely forgotten your ex.
