

POSITIVE SIGNS HE MISSES YOU BUT WON'T ADMIT IT

He sends you cards, gifts or flowers

He takes an interest in the details of your life

He shares with you news or something interesting he sees on social media

He takes your recommendations seriously, be it for movies, games, or food

He seems to be everywhere you go frequently

He genuinely checks on you and asks about your well being

He makes comments such as "saw this and thought of you"

You can feel that he misses you
