

Positive Thought

For The Day Quotes

For Children

To open your mind,
open a book.

Today is a great day to
learn something new.

Mistakes are proof
that you are trying.

In a world in which you
can be anything, be kind.

Inhale courage,
exhale fear.

Worry is a misuse
of your imagination.

You will never have this day
again. So make it count!

What one can be
one must be.
