

IF HE'S **ACTING DISTANT**, ASK YOURSELF **THESE QUESTIONS**

Does he only seem distant when you talk about a specific topic?

Try to talk to him about it and why it is bothering him.

Does he become distant when he sees you with other guys?

He may be feeling he doesn't belong to your league. If you like him, make him feel comfortable in your company.

Is his behavior with you indifferent around his family?

There could be an issue in his family that is bothering him. Try to talk to him about it but don't force it.

Does he become distant when you discuss your future, such as moving in together?

This means that things may be moving too fast for him. Understand if he wants it at all so that you can make a decision.

Does he become distant when you are in a group?

He may be shy. Try to help him get comfortable in such situations.
