

Challenges In An *Aries* And *Capricorn* Friendship

Capricorn's goal-oriented and focused nature may bore the outgoing and carefree Aries.

Capricorn may find Aries an unmotivated being.

Capricorn tends to be self-centered, which may make it difficult for Aries to get their attention.

Capricorn may not like Aries' attempts to persuade them to have fun.

Aries can disregard Capricorn's attempts to inspire them to have higher ambitions.

Their friendship may suffer due to significant personal disparities, which need extra effort to resolve.
